SAQA APPROVED OBE

FACILITATOR
TRAINING WORKSHOP

FACILITATE LEARNING USING A VARIETY OF GIVEN METHODOLOGIES:

NQF 5, 10 CREDITS
SAQA ID NR. 117871

Who should attend? ▪ New or experienced trainers who have not had formal education in training. Trainers who need a refresher to improve their classroom techniques and methods to transfer learning to work situations; ▪ Facilitators, Trainers & Coaches ▪ Skills Development Facilitators (SDF) Lecturers and Teachers

WORKSHOP LEARNING OBJECTIVES

In preparing for assessment against this Unit Standard, participants will learn how to:

1. Plan and prepare for facilitation.
2. Facilitate learning.
3. Evaluate learning and facilitation.

PURPOSE

The purpose of this workshop is to address the requirements of Unit Standard "Facilitate learning using a variety of given methodologies"

ID nr. 117871, NQF level 5; Credits 10

LEARNING ASSUMED TO BE IN PLACE

The credit calculation is based on the assumption that learners are already competent in the learning area in which they will provide training.

FACILITATION METHODOLOGY

Learners are required to participate fully in group and individual learning activities throughout the workshop. Learners are also encouraged to identify and express their specific learning needs and to contribute freely from their own experience. During the two day contact session, the facilitator also focus on change management and motivational aspects, as we've identified these issues as key areas of SAQA and implementing the NQF.

ASSESSMENT METHODOLOGY

During the workshop, participants will be briefed on how to prepare and present a Portfolio of Evidence for assessment against Unit Standard 117871, NQF level 5, Credits 10

As soon as a candidate Facilitator is found to be competent, and once NCL has received endorsement – including your official registration number from the ETDP SETA, we will issue the necessary certificate on NQF level 5. (10 credits).
